

Induced Seismicity Primer Development Editorial Committee:

Tim Baker, Director, Oil & Gas Division, Oklahoma Corporation Commission
Rex Buchanan, Interim Director, Kansas Geological Survey (Co-chair)
Charles Lord, Oklahoma Corporation Commission
Hal Macartney, Geosciences Advisor, Pioneer Natural Resources
Herschel McDivitt, Director, Oil & Gas Division, Indiana Department of Natural Resources
Kris Nygaard, Senior Stimulation Consultant, ExxonMobil
Leslie Savage, Chief Geologist, Oil & Gas Division, Railroad Commission of Texas
Rick Simmers, Chief, Division of Oil & Gas Resources, Ohio Department of Natural Resources (Co-chair)
Ed Steele, Oilfield Sciences and Water Technical Manager, GE Global Research Oil & Gas Technology Center
Ivan Wong, Principal Seismologist, Seismic Hazards Group, URS Corporation
Bob Worstall, Ohio Dept. of Natural Resources, Div. Oil & Gas Resources Management

Independent Technical Review Panel:

Nina Burkardt, Research Social Scientist, U.S. Geological Survey
Bill Ellsworth, Geophysicist, U.S. Geological Survey
Ernest Majer, Senior Scientist, Lawrence Berkeley Lab
Sue Perry, Disaster Scientist, U.S. Geological Survey
Julie Shemeta, Founder and President, MEQ GEO, Microseismic Consulting and Services
Brian Stump, Albritton Chair in Geological Sciences, Southern Methodist University

Staff Support:

Gerry Baker, Associate Executive Director, Interstate Oil and Gas Compact Commission
Ben Grunewald, Chief of Operations, Ground Water Protection Council
Joe Lee, Project Staff, Ground Water Protection Council
Steve Music, Project Staff, Ground Water Protection Council
Mike Nickolaus, Special Projects Director, Ground Water Protection Council

Editorial and Graphic Design Support:

Sarah Cornelius, Senior Editor, Akoya
Nancy Reese, Chief Creative Office, Akoya
Amelia Williams, Senior Designer, Akoya

Induced Seismicity Working Group:

AK Steve Masterman, Alaska State Geologist and Director of Geological and Geophysical Survey
AR Larry Bengal, Arkansas Oil & Gas Commission
Scott Ausbrooks, Arkansas Oil & Gas Commission
CA John Parrish, California Geological Survey
CO Bob Koehler, Colorado Oil and Gas Conservation Commission
Matt Lepore, Colorado Oil and Gas Conservation Commission
OH Rick Simmers, Ohio Dept. of Natural Resources, Div. Oil & Gas Resources Management
Bob Worstall, Ohio Dept. of Natural Resources, Div. Oil & Gas Resources Management
OK Tim Baker, Oklahoma Corporation Commission, Oil & Gas Division
Austin Holland, Oklahoma Geological Survey
Michael Teague, Oklahoma Secretary of Energy & Environment
IL Richard Berg, Illinois Geologic Survey
Robert Bauer, Illinois Geologic Survey
IN Herschel McDivitt, Indiana Division of Oil and Gas
John Rupp, Indiana Geological Survey
KS Ryan Hoffman, Kansas Corporation Commission, Oil & Gas Division
Rex Buchanan, Interim Director, Kansas Geological Survey
TX Leslie Savage, Railroad Commission of Texas
Craig Pearson, Railroad Commission of Texas
UT Jon Baza, Utah Department of Natural Resources
John Rogers – Utah Department of Natural resources
WV Jason Harmon – West Virginia Department of Environmental Protection
Zac Stevison – West Virginia Department of Environmental Protection
WY Mark Thiesse - Wyoming Department of Environmental Quality

Technical Advisors to the Induced Seismicity Working Group Working:

Andrew Adgate, Ohio Department of Natural Resources
Scott Anderson, Environmental Defense Fund
Dan Arthur, ALL Consulting
Brad Bacon, PDC Energy
Bill Bates, Environmental Protection Agency
Greg Beroza, Stanford University
Grant Bromhal, National Energy Technical Laboratory
Mike Brudzinski, Miami of Ohio University
Jeff Bull, Chesapeake Energy
Diana Burns, Colorado Oil & Gas Conservation Commission
Carlos Cabarcas, Hilcorp
Trenton Cladouhos, AltaRock
Jill Cooper, Anadarko
Dustin Crandall, National Energy Technical Laboratory
Phil Dellinger, Environmental Protection Agency Region 6
Ted Dohmen, Hess
Nancy Dorsey, Environmental Protection Agency Region 6
Jeff Eshelman, Independent Petroleum Association of America
Jon Freedman, GE Global Research
Cliff Frohlich, University of Texas
Lee Fuller, Independent Petroleum Association of America
Justin Furnance, Hilcorp
Rod Gertson, Devon Energy Corp
Holly Green, USEPA HQ
Rob Habiger, SpectraSeis

David Henry, Hilcorp
Roger Kelley, Continental Resources
Matt Kellogg, Independent Petroleum Association of America
James Kenney, USEPA HQ
Mike Mathis, Continental Resources
Shawn Maxwell, Itasca Microsiesmic & Geomechanical Evaluation
Bethany McCorkle, Ohio Department of Natural Resources
Linda McDonald, SandRidge Energy, Inc.
Stephanie Meadows, American Petroleum Institute
Tim Nein, Hilcorp
Jeff Nunn, Chevron
Jon Olson, University of Texas at Austin
Don Paul, University of Southern California Energy Institute
William Rish, Hull Risk Analysis Center
Brian Rovilli, GE Global Research
Justin Rubenstein, United States Geological Survey
Vanessa Totten Ryan, Chevron
Bob Sandilos, Chevron
Jesse Sandlin, Devon Energy Corp
Fernando Sierra, Shell
Mike Sims, Texas Railroad Commission
Matt Skinner, Oklahoma Corporation Commission
Derek Smith, Rex Energy
Jason Smith, American Natural Gas Alliance
Craig Sundstrom, Office of the Oklahoma Secretary of Energy & Environment
Laura Swafford, Chevron
Tim Tyrrell, XTO Energy
Robert VanVoorhees, UITC
Randi Walters, Stanford University
Norm Warpinski, Pinnacle
Kara Williams, Chesapeake Energy
Jonathan Winsor, Shell Canada Limited
Brian Woodard, Chesapeake Energy
Debby Yost, Chesapeake Energy
Ulrich Zimmer, Shell
Mark Zoback, Stanford University
